A color photograph of a calm lake, possibly a reservoir or a large pond, framed by several tall, slender pine trees in the foreground. The water is a deep blue, reflecting the sky. In the background, a dense line of green trees marks the far shore. The foreground is a mix of dark, shadowed ground and patches of dry, yellowish-brown grass. A handwritten note in blue ink is centered over the lake. The text is written in a casual, cursive style.

SO LET THE GOOD TIMES ROLL!!!

Let the Good Times Roll

An Annual recalls many things. As we progress through four years of high school we gain countless memories of classes, games, activities, and impromptu get-togethers. At the close of each year we remember again these experiences that are, for us, high school. We look back and see the images of our years as "the Racers." Through academics, our knowledge is increased; through athletics, our physical state is improved; through activities, our mental outlook is widened; through association with our classmates, our understanding and appreciation of others and their talents is extended.

Our **track** team running for freedom . . . As the **Cheerleaders** LET THE GOOD TIMES ROLL!!!

of 1978

The Drama Class was very busy this year. At first, we made speeches and Mrs. Burnett taped our voices on a tape recorder. This was just to get us used to being up in front of people. We had fun doing pantomimes and skits. Then along came the plays. We put on three one-act plays, and one three-act play. We all attended the Oklahoma Theater Center, and visited a TV station where we were on Danny's Day. We also attended the OU workshop and had a good time.

All in all, this has been a very fun and exciting year!!!

Back Row: K. Eddy, C. Garrett, D. Chambers, B. Estes, K. Fasgold. **Row 2:** Mrs. Burnett, L. Fancher, T. Kammerlocher, C. Miller. **Row 3:** D. Patton, J. Jones, P. Dotson. **Front Row:** S. Thompson, A. Keen, K. Hixon, L. Griffith.

The Study of Drama and Speech Encourages Student Creativity

The Speech class this year got off to a very good start with a new teacher, Mr. Cornett.

We had 12 members this year, and they all enjoyed getting up and making speeches. Speech class isn't all speeches, though, we also did some pantomimes, and generally had a great time!!!

Front Row: M. Longan, S. Gilliam, P. Bryant. **Row 2:** R. Kaywood, D. McCrite, R. Bowen. **Row 3:** R. Schmult, K. Hale, J. Carlile, C. King, T. Files, G. Dawson, Mr. Cornett.

Student Council . . .

Making Each Year Better and Better!!!

High School Student Council — working for the students of Newcastle High. They made it possible and sponsored the Homecoming parade, Navy Rock Band, Christmas program, Valentine program, and movies. They also worked for the community with an aluminum can drive and a walk-a-thon. Student Council will have members attending the State Convention and Summer Leadership Convention.

H.S. STUDENT COUNCIL: **Row 1:** T. Bates, Pres., T. Burris, V. Pres.; J. King, Sec. **OTHER OFFICERS:** D. Patton, C. Miller, L. McCalister, M. Fletcher, Reporter; B. Estes, Neuenswander, B. Littlejohn. **Row 3:** K. Eddy, Chaplain; B. Wilson, M. Dougall, Sponsor. **Not Pictured:** Steve Wynne.

Middle School Student Council was off to a brand new start this year. They were constantly working hard and learning much about parliamentary procedures. The fund raising money this year will be used for purchasing materials for the middle school library.

Through the organization they work to meet the goals and purposes of their constitution. They were all new to the organization but enjoyed learning what Student Council is all about.

M.S. STUDENT COUNCIL: **Row 1:** A. Pollard, Rep.; M. Faith, Sec.-Treas.; M. Livingston, V. Pres.; M. Claborn, Pres. **Row 2:** R. Anderson, C. Hayes, K. Judkins, D. Newton, C. Cox, A. Cordray, L. Wood, Sponsor.

The High School Cheerleaders attended the Shamrock Cheerleading Camp this past summer. They received two superior ratings, one excellent, and a spirit stick. The Pep Club has been doing a great job this year by selling pins, ribbons, and just about anything you can think of! With a group like this, you can see why the Newcastle Racers have such SPIRIT, SPIRIT, SPIRIT!!!

The Ninth grade Cheerleaders started off on the right foot this year, being as this is the first time Newcastle has ever separated the Ninth grade from the Jr. Hi. They cheered for both the High School and the Jr. Hi. They also encouraged a lot of spirit and aided in selling ribbons and other things to promote that spirit.

This year head Cheerleader, Rhonda Fletcher, reported everything was great with the cheerleaders. The active girls went to camp this past summer and have new uniforms. All the cheerleaders had lots of work, studying, practice and of course fun.

The Jr. Hi. Pep Club had a very busy year. We were worried about our rivals, Blanchard and Tuttle. So to help boost spirit we sold pep ribbons. All in all we had a very successful year.

The Yearbook Staff of 1977-78 present the Newcastle Racer annual. We have tried our best to fill this yearbook with the memories of this past year. We hope you enjoy reminiscing through the pages of hard work and good times. But only time can tell how well we've put these memories together. And the one thing you'll remember as you turn the pages is how the Newcastle Racers always LET THE GOOD TIMES ROLL!!!

Mrs. Burnett, advisor of the yearbook, discusses the layout of the annual with her editors.

Jan Schaapveld and Teresa Lynn were the editors of the 1977-78 Racer annual.

Teacher — J. Galegar.

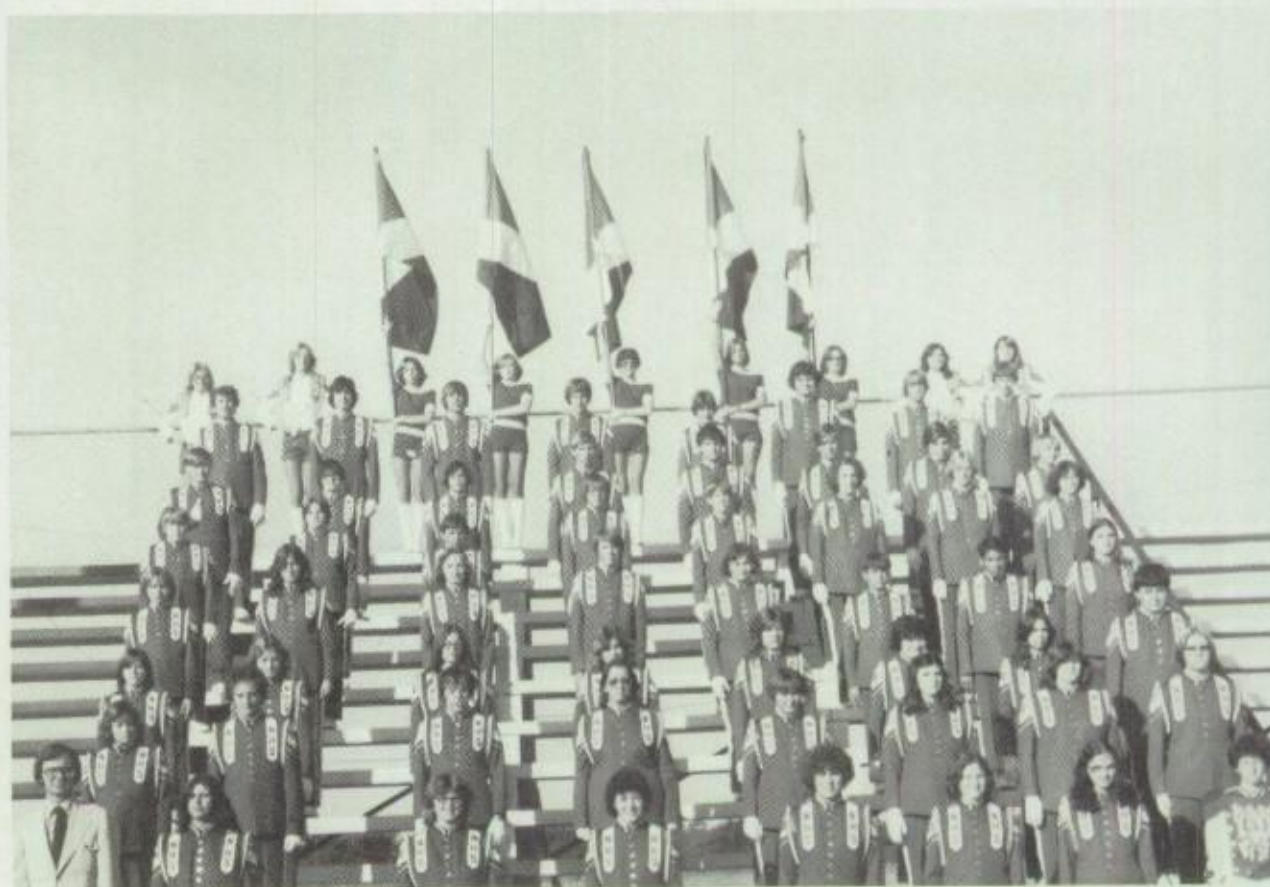

Welcome to the new art teacher, Miss Galegar. Art is a new subject in the Newcastle High School this year. Little did we realize we had so many talented students. The Art Club meets one night a week. They have done macreme where they made their own beads. They did several different kinds of art work, also. All-in-all it has been a great year for every member.

Racer Band

OFFICERS: Chaplain — D. Selzler; Pres. — D. Rawson; Reporter — A. McNeilly; V. Pres. — P. Walck; Drum Major — C. Beattie; Reporter — K. Fischer; Student Council Representative — B. Wilson; Sec.-Treas. — J. Rigsby.

Yes, Indeed! This year the Racer Bands dream really did come true. On Friday night, September 23, the Newcastle Marching Racer Band proudly marched onto the field wearing their brand new uniforms. The Band was very busy this year attending all football games, and (BLECH!) 7:30 a.m. rehearsals. They also attended the Central State University Homecoming Parade, and received second place. The District Music Contest came next, followed by many other parades and contest. This year was our first time to have a Band Queen coronation. Cogi Beattie, senior, was crowned Band Queen on September 23. She was escorted by Don Rawson, senior. Other candidates were Carol Doke, Pam Walck, and Darla Selzler, all seniors. The Racer Band was really tops this year, and they are looking forward to bigger and better things next year. That's why throughout the school, you can always hear people chanting "RACER BAND, BEST BAND!!!" and you know it's true!!!

Mrs. Cornett — H.S. Music Director

1977-78 was a very exciting and rewarding year for the H.S. Chorus. Opening concert was at Cement, Okla., where they actually stunned the audience with their amazing talent. Following rapidly was Open House, two concerts at the Area Vocational School, a Fall Pop-concert in the New Gym, a concert at Tuttle High School, and an unusual Christmas Concert, featuring the happy sounds of the Moog-synthesizer.

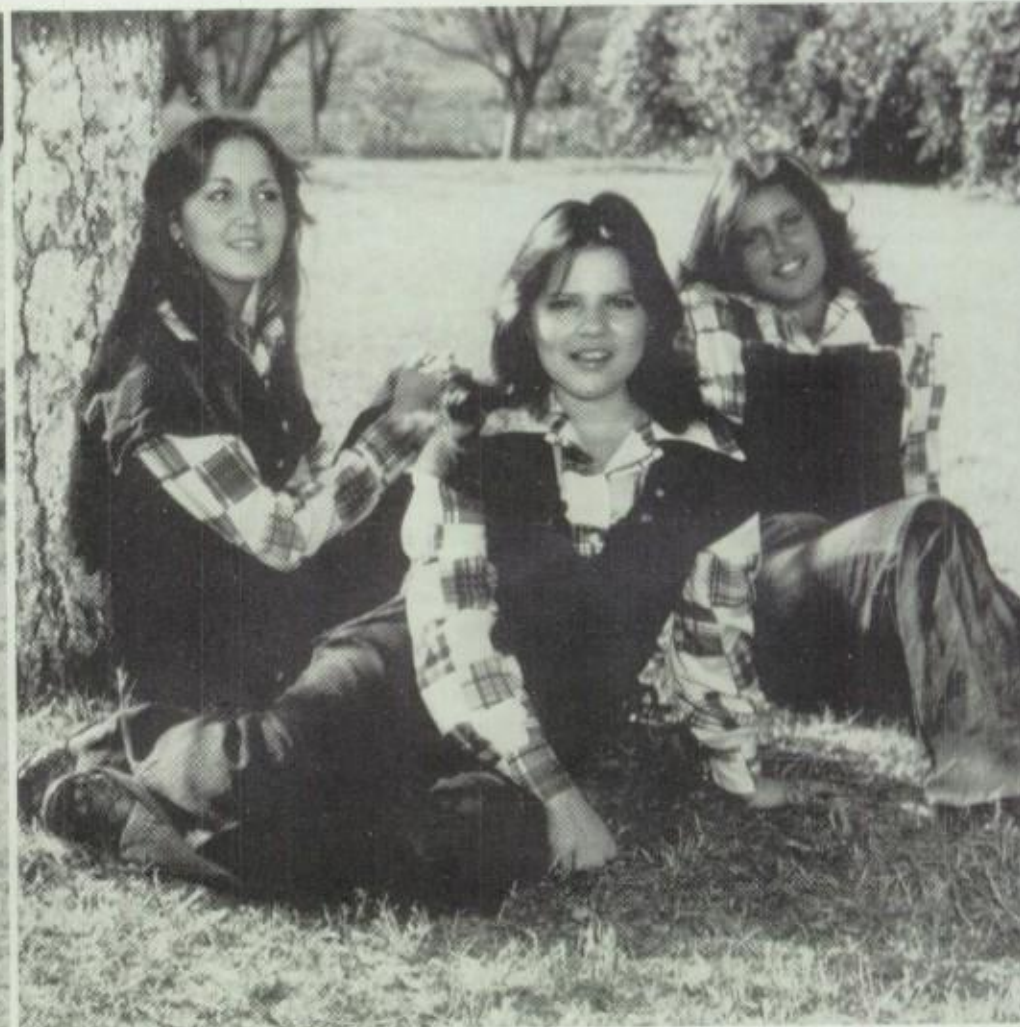

The spring produced District and State Contests, the spring concert, a concert at Blanchard, and culminated with the highlight of the year, the choir tour. All in all, it was a never-to-be-forgotten year full of memories to last a life time.

If someone were to ask you to say a word describing 4-H, what would you say? Fun?, Exciting?, Challenging?, Work? Well, you could use all of these. This year has been one of our very busiest years. In December, we took a fruit basket to the Blanchard Nursing Home. In January we had our usual Share-The-Fun. In February we had a speech contest, and March was our busy month. We started with demonstrations, then the Spring Stock Show, and the Food Fair. In April we had our Dress Review and Appropriate Dress. So, you can see how all the words, fun, exciting, challenging, and work, all fit in with being in 4-H. What would it be without them?!!

Once again the Newcastle Racers prove that thirteen is unlucky. Last year the Football team was 9-4. Lost its last game which was the thirteenth. This year 1977 the Racers also played thirteen games, going undefeated until the thirteenth game and then losing, ending the season with a 12-1 record, the first win over Tuttle, and the District and Bi-District Championship.

But 12-1 proves that Newcastle is for real.

Two Racers Make Sooner All- Conference

With only two days of practice time together after football season, the Racers had to postpone the season opener with Deer Creek. Only one starter returned with the previous season at a starting position. The Racers felt encouraged because they were in the process of rebuilding their program. With a new coach, the past season showed a lot of new faces on the court with one and sometimes two sophomores in the starting line-up. The loss of the two starting seniors will be felt but the Racers have plans for a winning season next year.

The Racers were in a new conference with: Noble, Crooked Oak, Bethel, Blanchard and Harrah.

Converse sneakers and blow dryers — both tucked away in a gym bag. Pigtailed in the wind. Yes, the kid with the basketball is a girl. She wants to win. She runs hard, tries hard because she has a job to do. She's part of the team. She doesn't have to come at 7 a.m. and practice, practice and practice, but she wants to. She doesn't have to fight so hard. After all girls are supposed to sit back and let a "man" do the job. She still plays. She's used to the ribbing she gets from the guys. It's expected. But why does she play? Because after the game there's that good feeling of being a part of something. Jumping up and down, hugging people or maybe having a good cry. Yes, the kid with the basketball is a girl.

Losing five starters from the previous season, a rebuilding task faced the Lady Racers. Inconsistency seemed to plague the Racers season but teamwork and hustle helped to contribute to the Racers' wins. Inexperience and lack of height seemed to be the Lady Racers biggest problem, but overall quickness helped to offset this problem. They are looking for a great season next year because they lose only two players.

1977-78 Champs

The 1977-78 Wrestling season was a super experience as another opportunity for winter sport athletes. The young Racer Wrestlers defeated 16 opponents while only losing twice in dual match competition. This year the Wrestling Racers were the Cimmaron Valley Conference Champions, the Guthrie Invitational Champions, and the Chichasha Invitational Runners-up. Many of these boys have wrestled in little league for many years but this is the first year for wrestling to be offered in school. Gina Anderson Crowned

The **HOME**COMING was October 14, but the whole week was really exciting. All classes, 9-12, were busy working on their floats. The **HOME**COMING parade was Friday afternoon. The theme for this year's **HOME**COMING was "The 50's." The candidates were Gina Anderson, escorted by Kirk Menefee; Deana Baldwin, escorted by Mark Shaw; and Cheryl Shoumaker, escorted by Greg Mooney. Gina was crowned queen. What really set the night off was the Racers defeated Bethany, 25-0.

Deana and Cheryl were really excited for Gina being crowned queen.

Gina was really excited for being crowned HOMECOMING queen.

Cogi Beattie — Band Queen

This was an exciting year for the NHS band because they received their uniforms just in time to crown their first band queen, Cogi Beattie. The crowning was done during the halftime game with Tishomingo.

Cogi, a senior, was escorted by Don Rawson. Candidates were Carol Doke, escorted by Walt Vandeburgh, Darla Selzler, escorted by Robert Bates, and Pam Walck, escorted by Kenny Nix. The flower girl was Lori King, daughter of Mr. and Mrs. D. L. King and the crown bearer was Chris Pruett, son of Mr. and Mrs. John Pruett.

Cogi was really happy when Don crowned her band queen.

Escorts and Candidates wait to see who is going to be the queen.

Business Classes Still Going Strong

Trying to get a job is never very easy, that is why VOE is offered. VOE teaches the skills of typing, operating the different machines, and preparing for job interviews.

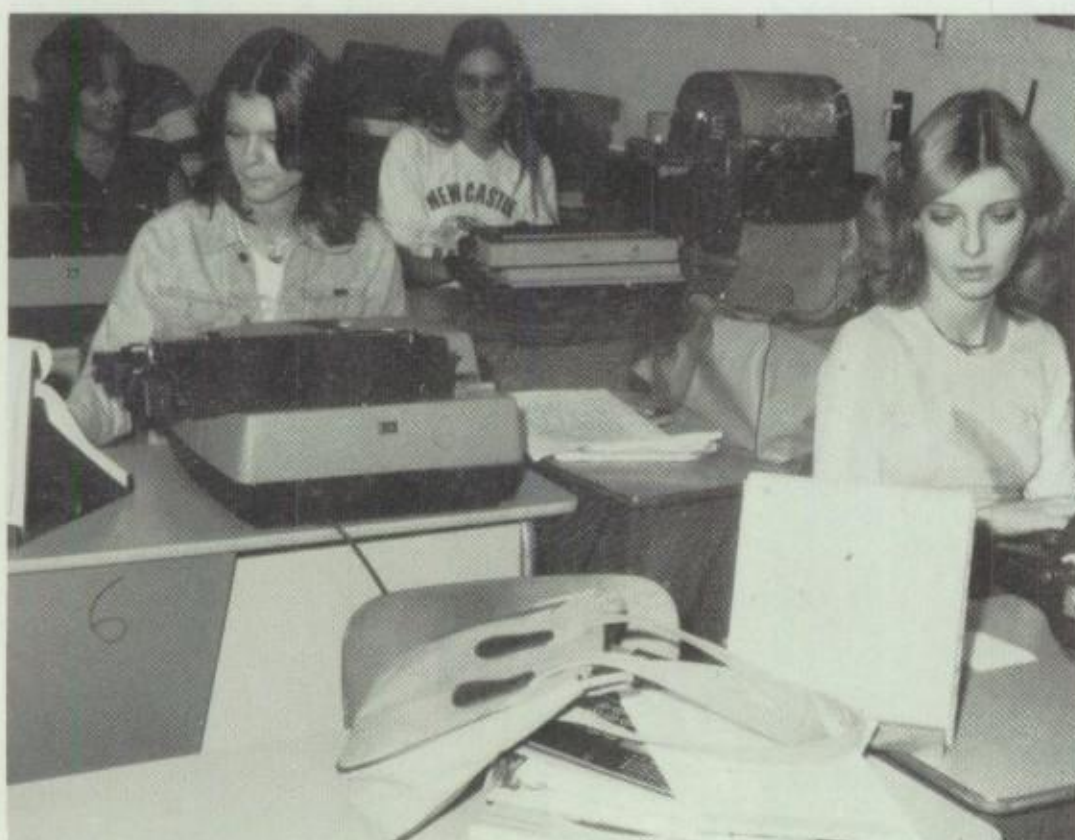

General Business teaches things from money management to understanding insurance policies and is designed to help students make a living when he gets out on his own.

If anything comes in handy, it is typing. Typing is offered to help students learn the fundamentals of typing business letters, personal letters, memos, carbons, and much more.

Accounting is offered to help students who want to learn business management, assets, capital, liabilities and help students in getting a job after graduation.

Jackie enjoys accounting.

VOE girls look busy.

Kelly is interested in doing her typing.

Typing seems to be easy for Mike and Tony

Woodwork Classes Work Hard

CVET, Coordinated Vocational Education and Training, it is a new elective offered to students which teaches construction trades. It provides students with vocational education preparing them for gainful employment in jobs requiring semi-skilled knowledge and training.

Woodwork classes were really busy this year. They started off the year by refinishing a piece of furniture such as a chest. They finished up the year by doing a case type project like a cabinet.

Students in Agriculture study the production, processing, and distribution of agricultural products. Students are involved in actual day to day agricultural processes through their supervised farm training programs.

Agriculture Mechanics is a part of Vocational Agriculture for juniors and seniors that want to further increase their shop skills in welding, electricity, surveying, tractor maintenance, etc. This can enable them to find employment in the Agriculture Mechanics area.

CVET proves to be very interesting.

Jim shows how welding is done in Agriculture Mechanics.

Ag boys keep smiling to make people wonder what they've been up to.

Carrell shows how to build things in Woodwork.

Ag boys are really interested in what the speaker has to say.

Lynn and Richard are really busy in Woodwork.

Home Ec, Art, and Family Living . . . All Fun

Home Ec had a lot of fun this year. They studied prenatal care, child care, and had a play school. Then they learned how to cook different kinds of foods and next came sewing, macrame, arts, and crafts.

Art is a new class this year at NHS. There are a lot of students enrolled in this class. They learned the basic fundamentals of drawing different things such as landscapes, seascapes, abstracts, realistic, and still life. They did crafts such as papier mache and organized a new Art club.

Studying Home Economics was Family Living's main objective. They studied everything from child care, cooking, sewing, to Arts and Crafts. They even had a mock wedding. Overall, everyone had a lot of fun in Family Living.

Debra Judd and Debra Krueger show how to make jelly in Home Ec.

Classes That Are a Must

Mrs. Babich explains how Math is done.

Shena and Angela working hard on History.

Is Trig really that hard, Eddie???

Sharon and Jan, what is so interesting in English.

Students in High School have to take four years of English and each year it gets a little bit harder. They study grammar, composition, literature, and vocabulary.

Students must take two years of history. There are many different history classes such as Civics, Oklahoma History, American History, and World History.

Science consists of many things. Students can take biology, chemistry, general science, or physiology. Each of these classes study different things.

There are many different math classes offered. Students can take High School Math, Algebra I, Algebra II, and Trig.

Frank's really interested in English IV.

Craig's getting busy in Science.

All New Experiences

The Racer band leads the Homecoming parade.

Music girls really look busy.

Driver's Ed tries to learn how to change a flat.

The Music department had a fantastic year. The High School music was under the direction of Mrs. Cornett. They went to several concerts and contests.

The Drama department put on three one-act plays and one three-act play during the year.

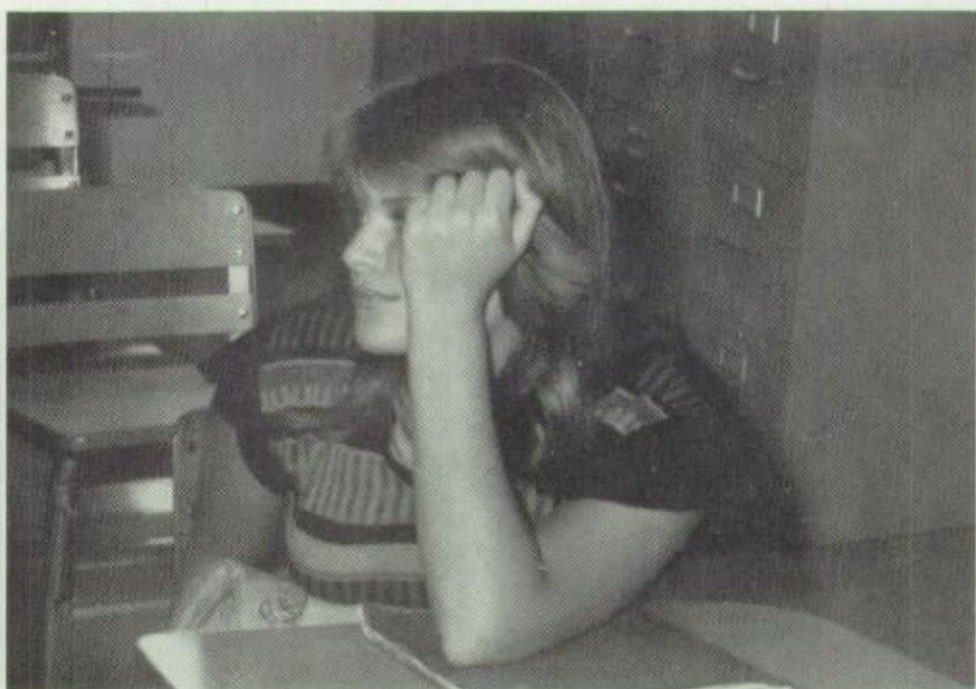

The Speech department learned the fundamentals of speech. They gave many speeches in class.

The Driver's Ed learned to drive and each student had six hours behind the wheel.

Band stayed busy during the year with marching and contest music.

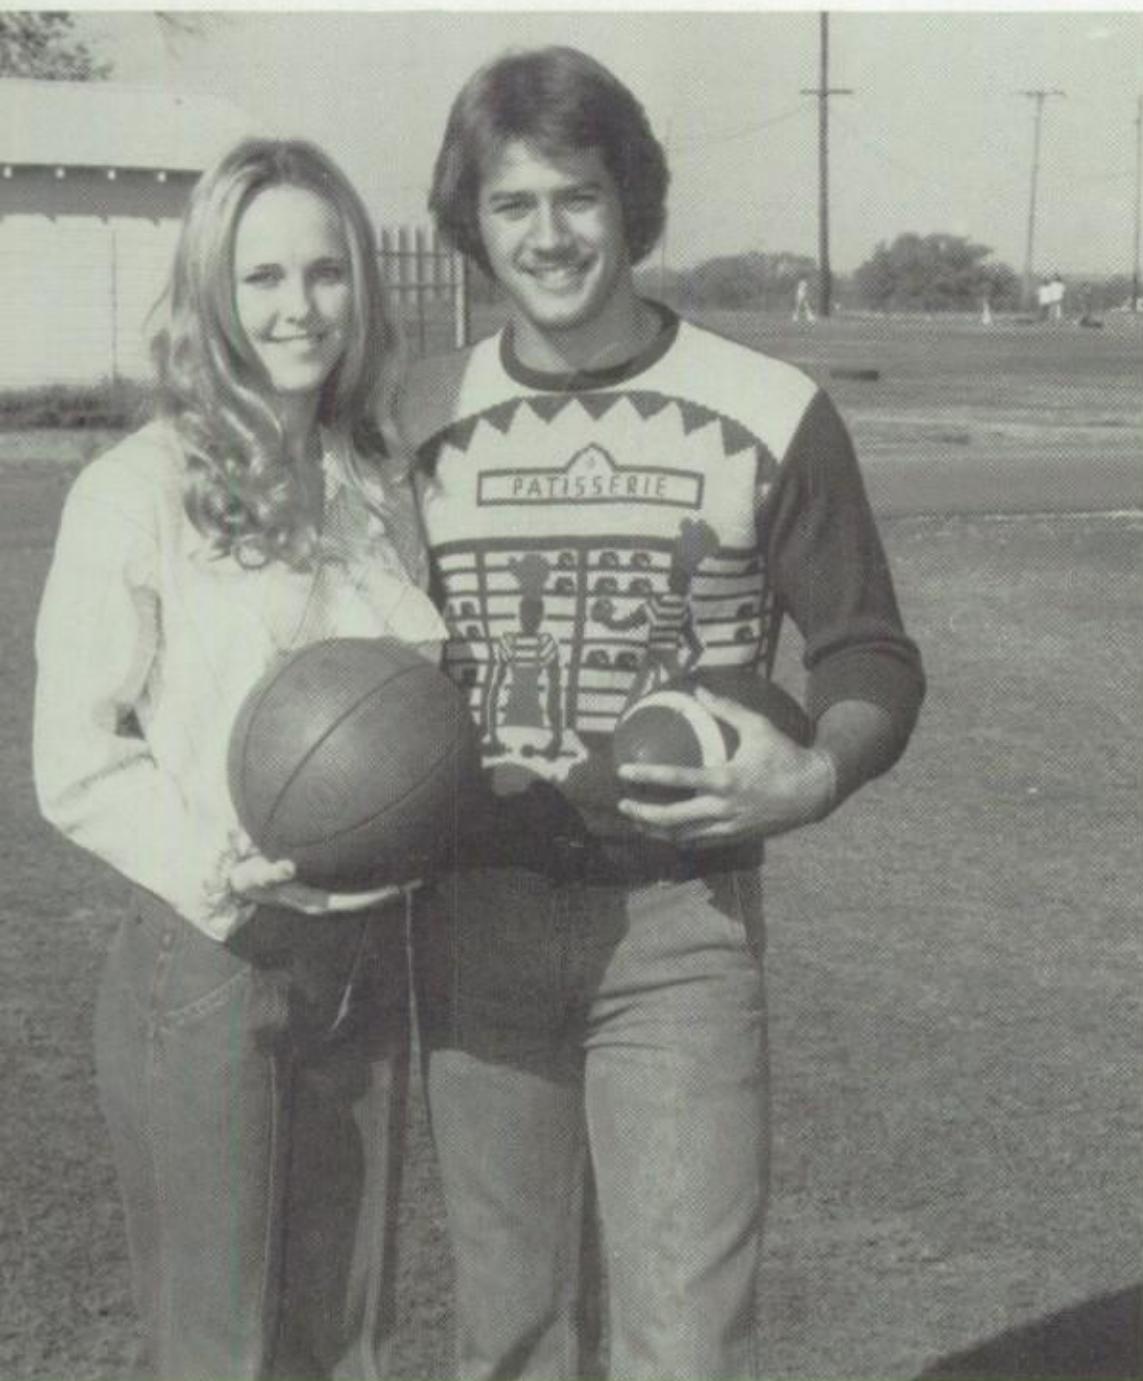

Lori, Connie, and Jerry look like they are studying Drama!

Kathy, is something wrong in Speech.

How do you define the undefinable? How do you explain the unexplainable? What was the secret ingredient that made those few people, out of so many, so special? What made us know that secrets shared were really secrets?; hurts experienced were understood; a good time would be even better when shared with friends? Out of it all, nothing will be remembered so well, or with such a combination of smiles and tears as those special people, who, through our high school years, were our friends.

First Band Queen Crowned . . .

This year was the first year the Band of Newcastle has elected a band Queen. The entire band elected the candidates and chose the Queen. They made a wise choice and Cogi Beattie was crowned Band Queen the night of the Tishamimgo game.

Cogie Beattie, Sr., is the daughter of Mr. and Mrs. Bill Beattie. Cogi has been student band director for 3 years. She also plays the flute for stage and concert band.

Darla Selzler, Sr., is the daughter of Mr. and Mrs. Larry Selzler. Darla has been active in band for 4 years. She was in concert, stage and marching band.

Pam Walck, Sr., is the daughter of Mr. and Mrs. Burlin Walck. Pam has worked hard in Band as V. Pres. She also played in stage, concert and marching band.

Carol Doke, Sr., is the daughter of Mr. and Mrs. James E. Doke. Carol has been in music and band.

Royalty Reigns at NHS

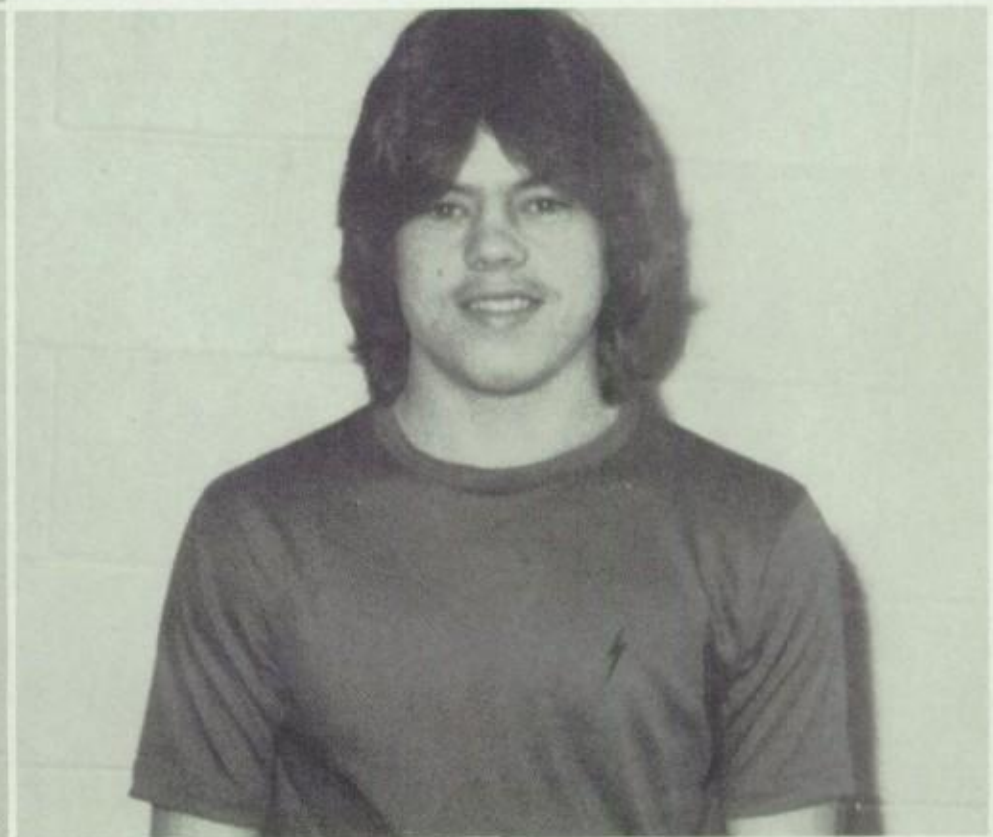

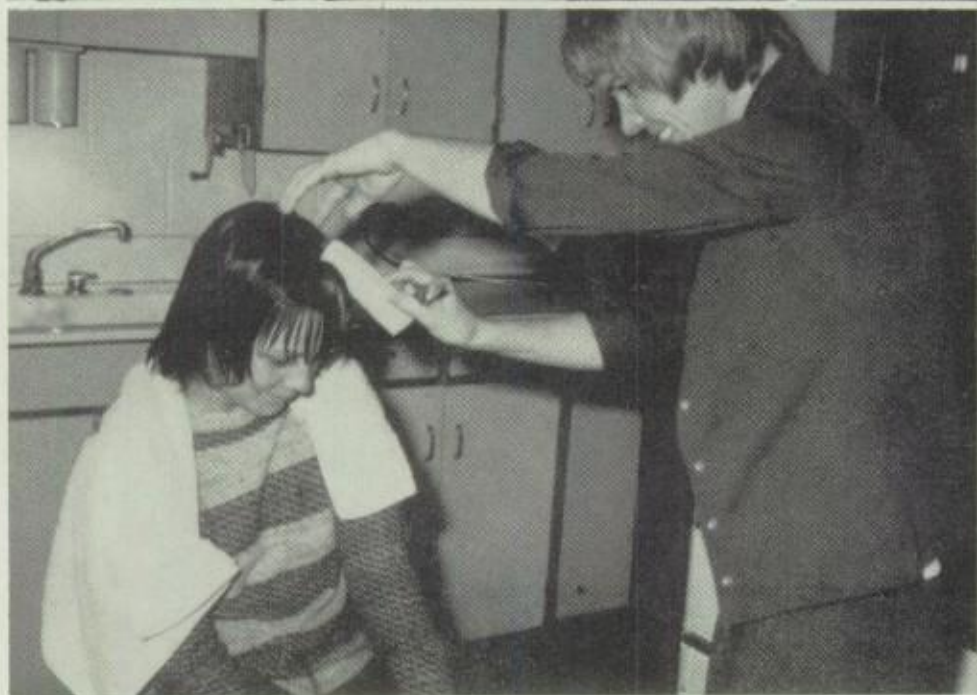

The FHA Beau and FFA Sweetheart for 1977-78 were Kevin Eddy and Darla Wynne. They both have done an excellent job representing their chapters.

The Music King and Queen for the past year were Byron Coats and Debra Stone. Byron accompanied the chorus on the drums and charmed the girls with solos. Debra was kept busy singing solos and singing with the madrigals and girls trio.

The 4-H King and Queen were Stanley Housh and Robbie Gibson. They were both kept busy with contests and representing the 4-H chapter. Robbie also served as 4-H president for this year.

This year's Pep Club Pal was Greg Mooney. He was chosen by the Pep Club members and honored at the Pep Club Banquet. Greg played Halfback for the winning Racers.

Administration and Board Devote Time to Better Schools

Our gaining of new classes, students, and personnel had brought new ideas of change to Newcastle Schools.

The jobs performed by the Superintendent and School Board are important and difficult. Many decisions are involved. These decisions affect many lives and are not always understood by everyone. Whether the decisions are wise or unwise, in most cases, they can only be judged by time.

This is the second year for Mr. James W. Sanders to be Superintendent. Mr. Sanders has done a super job making some difficult and some not so difficult decisions this past year.

The school board members have also done a great job, with the decisions they have had to make. Board members for 1977-78 are: Carl Fancher, Gene Smith, Jerry White, James Griffith, and Anton Kammerlocher.

Principals Guide Way

Mr. Joe Cox

Mr. Roy Giles

The principals have done a terrific job this year in providing a school which is well taught and well supervised. Mr. Joe Cox is High School Principal which consists of 9-12. We are glad to have Mr. Roy Giles back in the Newcastle School System. Mr. Giles is the Middle School Principal which consists of 6-8. Mr. Clint Hightower is the Grade School Principal which consists of K-5.

The secretaries this year have done a super job. Wanda Castle is the financial and personal secretary to Mr. Sanders. Dorothy Hildebrand takes care of the lunch fees and records. Sue Thomason is secretary to Mr. Cox. Lorella Wilson answers telephones. Virginia Wheeler is secretary to Mr. Giles, Shirley Ross is secretary to Mr. Hightower.

It is sometimes difficult for a student when seated in a classroom, to think of a teacher as being anything other than a teacher. But the person holding that grade book or writing on the blackboard does have life outside of school.

Teachers do not wait with bated breath for Monday mornings nor do they feel disappointment on "snow days." if anything, they look forward to "TGIF," Thank God It's Friday, with more zeal than the students.

They do not enjoy grading papers, dealing out "F's" or giving students a hard time. Teachers want, very much, for their students to succeed, to do well. Teachers do the best they know how and it's time we appreciated their efforts.

The people behind the scene that have the most unrewarding jobs of all are the bus drivers, janitors, and cafeteria cooks. But much is owed to them because the bus drivers keep the school running on schedule, the janitors keep our school clean and looking nice, and the cafeteria cooks always make sure we have good food to eat.

In Memoriam

Pamella Lynn Walck

Oct. 9, 1960

Jan. 29, 1978

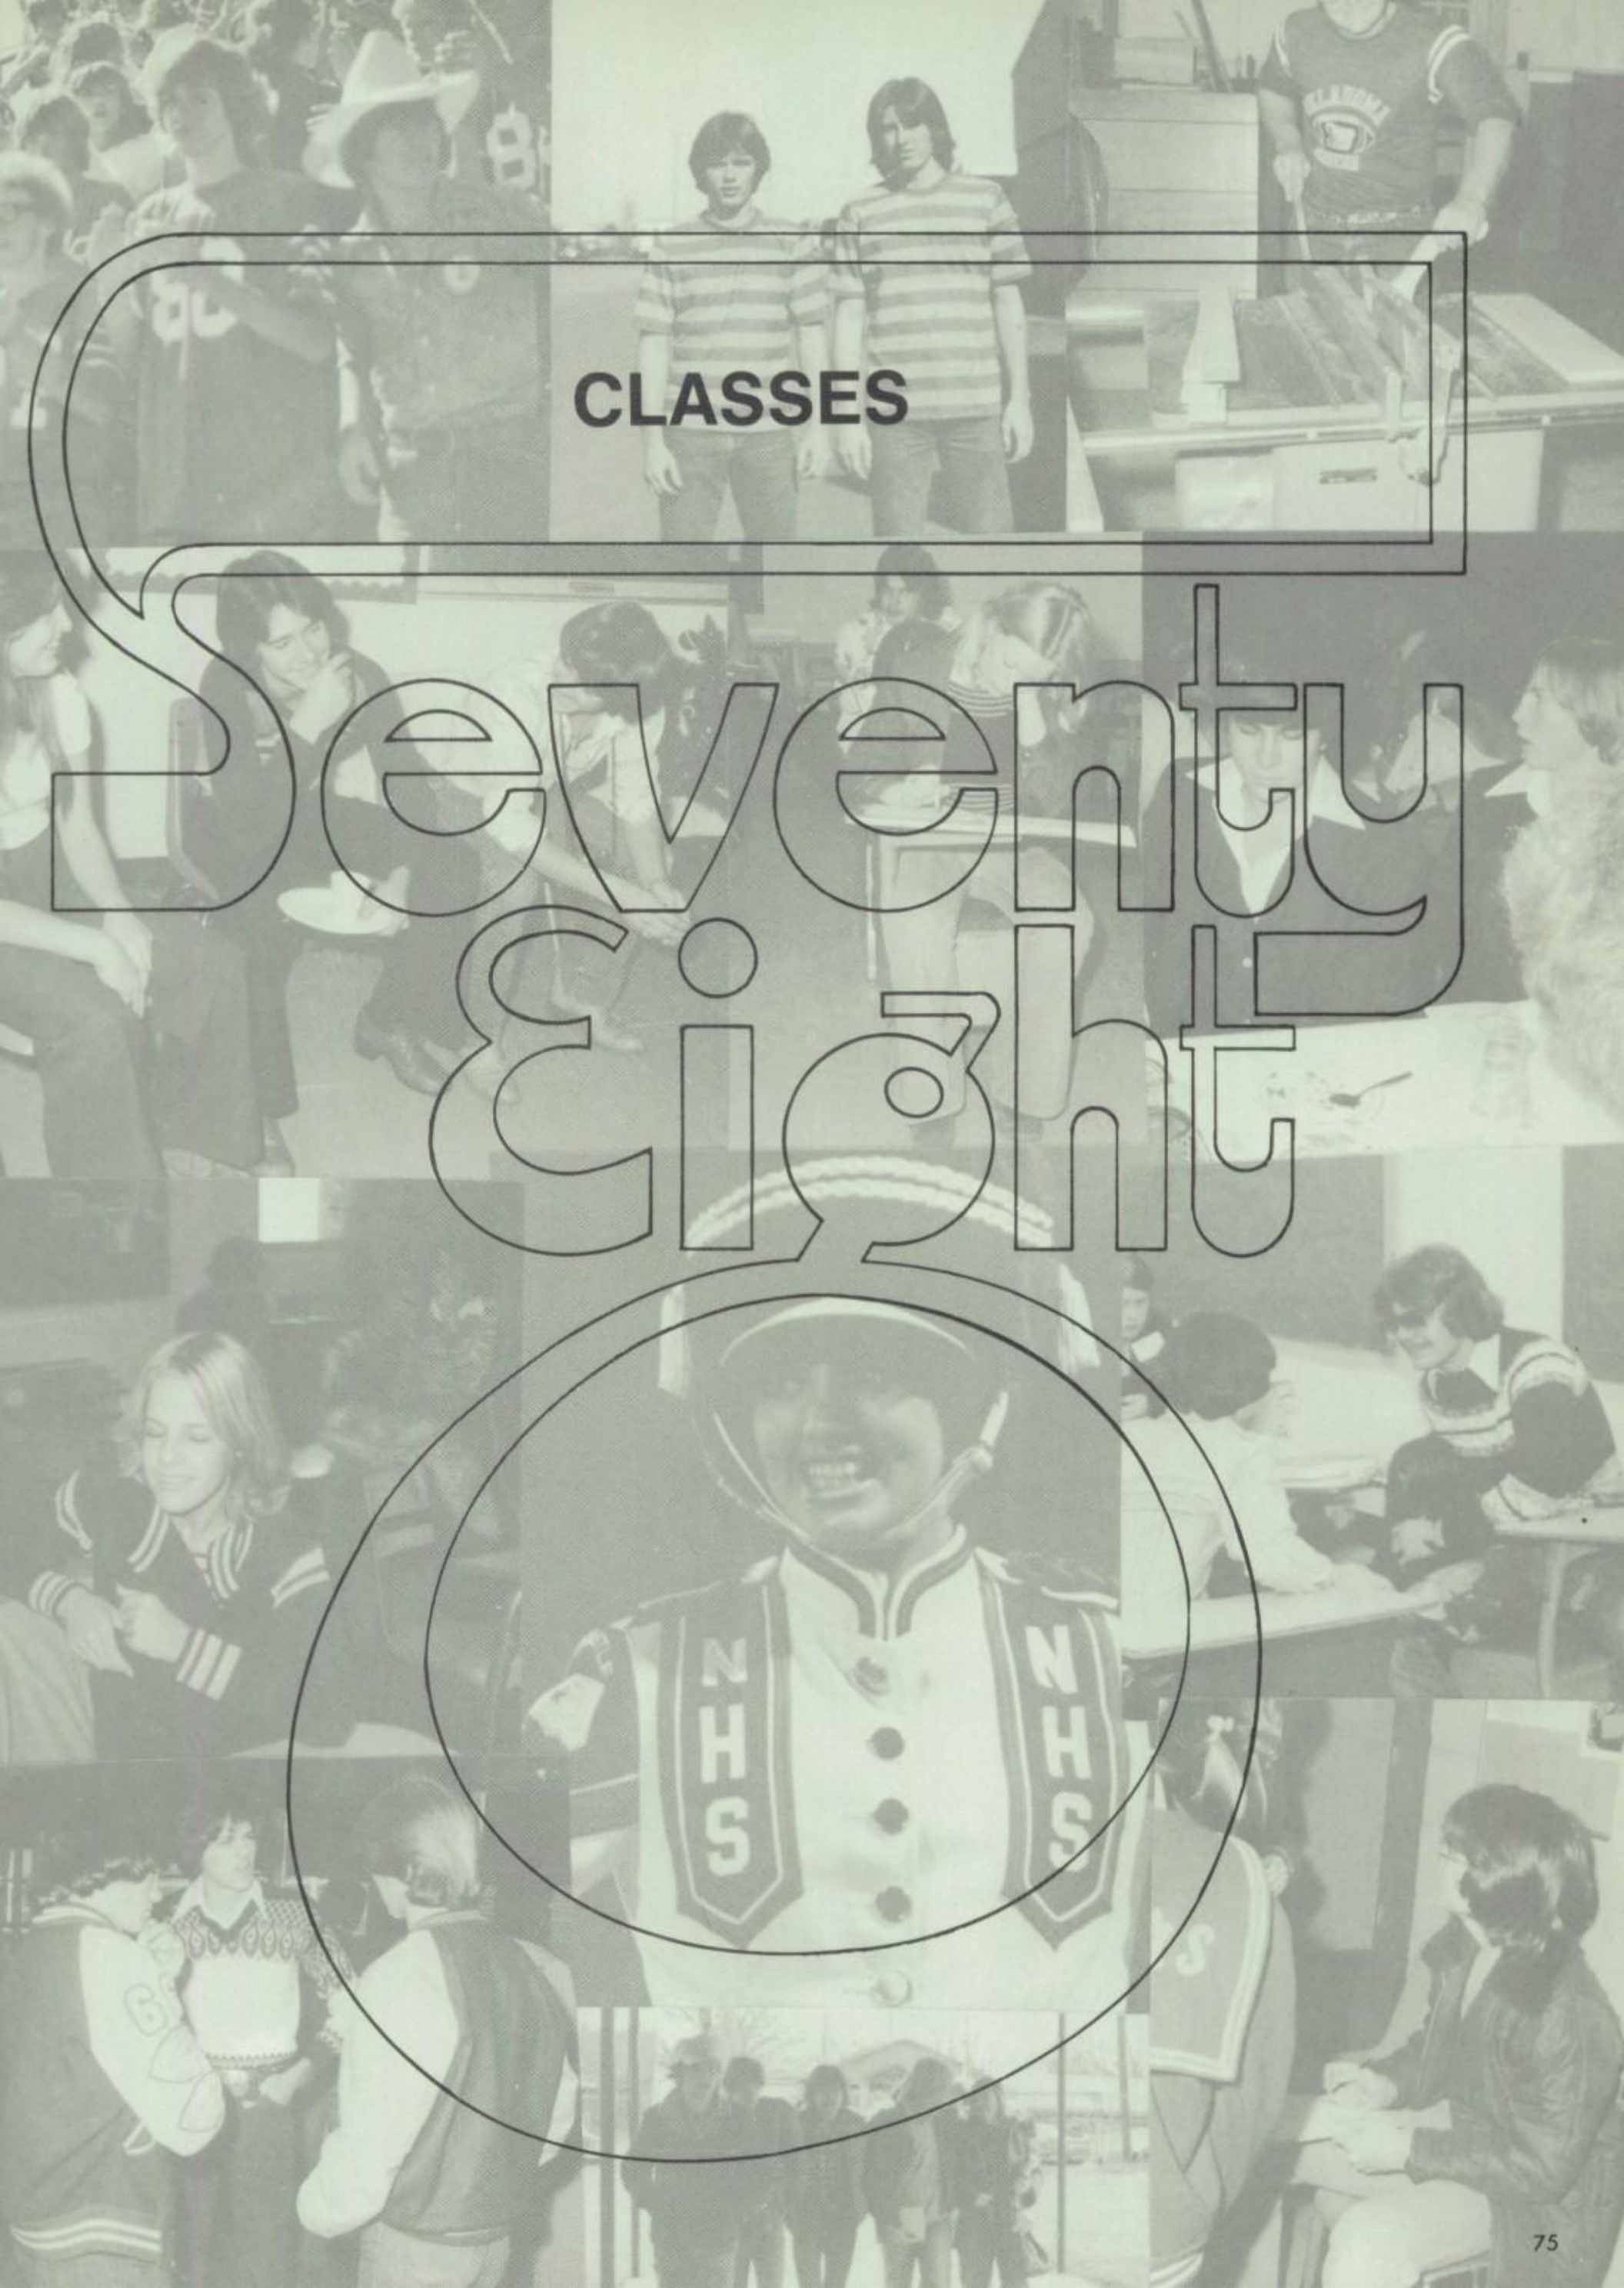

Let nothing stand in your way,
Be swayed not by what others may say.
You've dreamed a dream,
So hitch a ride on a sunbeam,
And do your best to live it.
(original poem of Pam's)

Let not your heart be troubled;
ye believe in God, believe also in me.

In my Father's house are many mansions; if it were
not so, I would have told you. I go to prepare a place
for you.

And if I go and prepare a place for you I will come
again, and receive you unto myself; that where I am,
there ye may be also.

Seniors Remember the Good Times

SENIORS OF '78

We've been clamoring through the halls of NHS since we were Freshmen; reaching for what seemed a virtually impossible dream of becoming the Seniors of 1978. Happy and sad events challenged the Seniors to prove their leadership as upperclassmen.

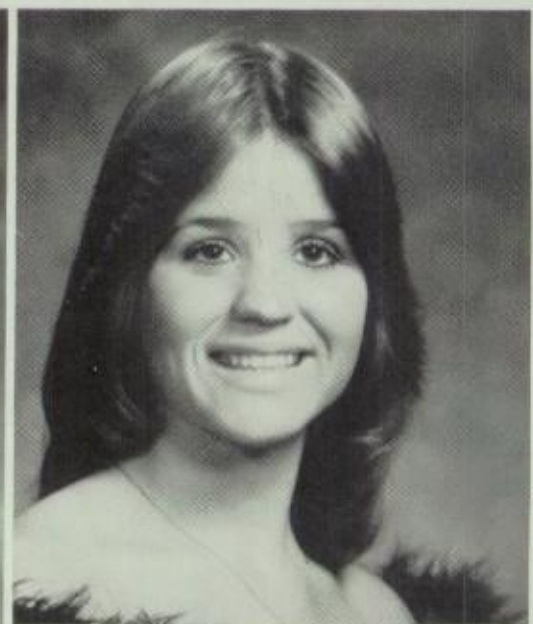

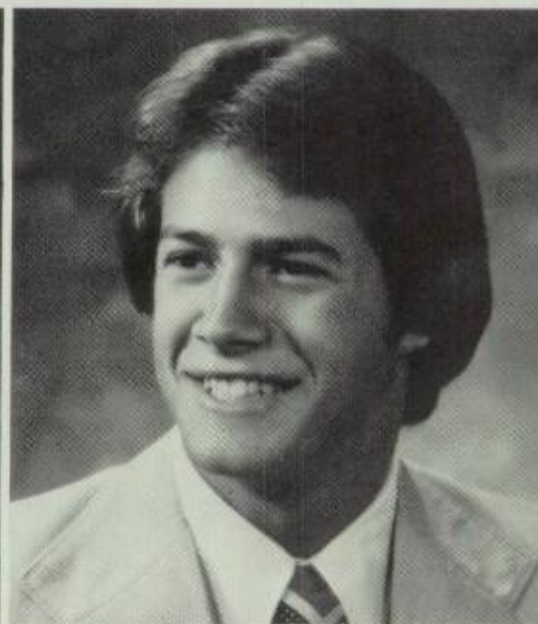

The Seniors were probably the most active class on campus: ordering Senior keys and announcements, being measured for caps and gowns and working hard on our last Homecoming float. After weeks of preparation the Senior float "Top Ten Hit Parade" took the 'Best Theme' award.

Our year brought tears and laughter; with great expectations for the future that lies ahead of us.

Juniors Look Forward to Their Senior Year

An exciting year was in store for the juniors. It was a year of much hard work but also a year of many enjoyable memories.

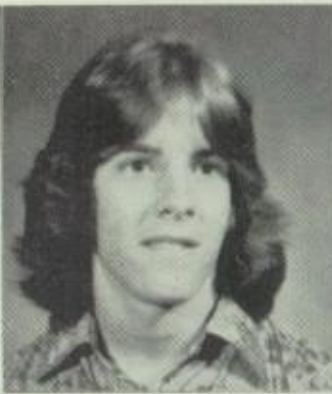

They put long hours and hard work in fund-raising projects to earn money for the prom. But there was also the excitement of choosing and receiving their class rings.

They now eagerly await to become the graduating Senior class of '79.

Sophomores Have Enthusiasm

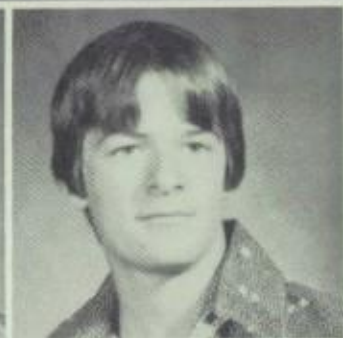

SOPHOMORES OF '78

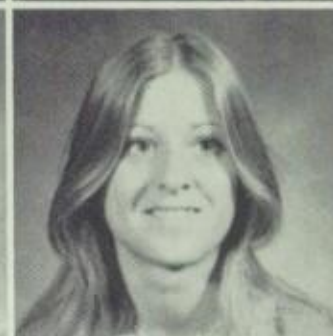

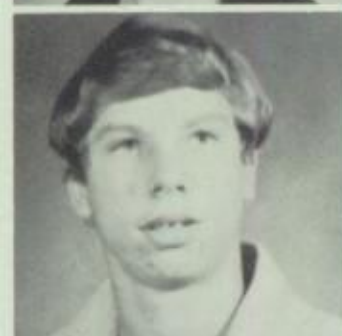

CLASS OFFICERS: Cheryl Shoumaker, Treasurer; Brenda Littlejohn, President; Billy Cordray, Secretary; Liz Sewell, Vice Pres.; and Sheila Gilliam, Reporter.

The Sophomore Class was a very spirited bunch. They proved it by getting 'most class spirit' on their float, which was called "Tribute to Elvis." The Sophomore cheerleaders, Michelle, Donna, and Sheila, helped lead their class in spirited activities.

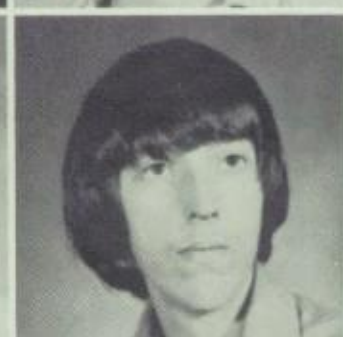

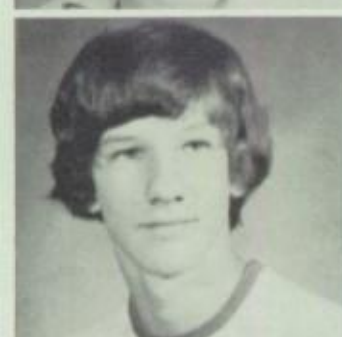

All in all the year was filled with work and excitement as the Sophomores finally completed a fun filled year and created memories to last a life time.

Third graders spend about one half of their day in reading and language activities. They study their own community as well as cities around the world in social studies. Climates and products of different regions around the world make science interesting for third graders.

Second graders have moods of every shape, size, and dimension. They find that the world around them seems very complicated as they begin to think for themselves. Learning to express themselves was an important task that was completed successfully.

The first graders this year have been very active. They learn to read, tell time and count from 1 to 100. This has proved to be a very exciting year for the first graders. New experiences, different class participation and especially the new cafeteria!!!

The Kindergarteners got off to a great start this year! Learning new things and meeting new people is always a big deal with them. Maybe one of the most exciting experiences for the little ones is getting to stay away from home and mom for just a few hours out of a day!

HERE WE COME FIRST GRADE!!!

**Thanks to the
seniors that filled
out their senior
listing. (Seniors
had 2 months to
fill this out).**

We looked back and remembered the happy times, feeling the rewards of hard work and dedication. At other times we felt all alone, isolated in the midst of a crowd. Our existence was one of constant new beginnings and continuous endings that filled our lives and our memories. It was our year, molded by the vast and diverse character of who we were and who we had become.

We the yearbook staff of 1977-78 have tried to capture moments most precious to all of those who have attended Newcastle Schools this past year. As you look back through the yearbook we hope you find many happy memories. To the Seniors we hope we captured the best moments of your last year here at Newcastle. To other students we hope we captured good moments for you too!!!

My dear friend,
I hope you are well.
I have been thinking
of you very much lately.

I am your true friend,
